WEDDING RECEPTION

The wedding reception can take place in the lovely garden in front of this **Wedding Villa in Florence** or in the beautiful rooms inside.

The oldest part of this **Wedding Villa in Florence** dates back to the 14th century.

The villa was founded as a fortified farm, then was utilized as Benedictine monastery, converted in a nobleman elegant Villa in the sec and finally revised in to a tourist residence.

The villa lies just after the small houses of the village, surrounded by the yellow colour of the countryside, with the roman camomille, the yarrow and dandelion flowers.

You will fall in love with the peacefulness of its Medieval cloister, the Rococo Chapel still consecrated, the swimming-pool with its solarium, the breathtaking panorama, the restaurant with its refined local menu.

Wedding receptions are perfect thanks to the professional and friendly staff.
